**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Crossville Housing Authority has completed this Agency Plan in consultation with CHA residents and the local communities. The Plan was discussed with the Resident Advisory Board on May 6, 1999, July 8, 1999 and July 12, 1999. The public was afforded an opportunity to review the plan and offer comments at a public hearing held on September 15, 1999. CHA also conducted a follow-up meeting on October 1, 1999. The Annual Agency Plan is summarized as follows:

**1. Housing Needs**

The CHA current waiting list is excessive and the demand for public housing and Section 8 assistance is evident. Our greatest demand is for small bedroom units (1 and 2 bedroom units).

**2. Financial Resources**

The CHA expects to expend approximately \$3.1 million in the year 2000 for operations, capital improvements and administrative costs.

**3. Eligibility, Selection and Admission Policies**

The CHA has revised its standard operating policies and Section 8 policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on April 30, 1999. These policies will be updated as HUD issues further guidance.

As required under this section of the plan, the CHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do not have a problem with concentration of high or low-income families. Further, we have revised our admission policies to assure that a concentration does not occur in the future.

4. Rent Determination-Discretionary Policies

Our discretionary rent policies include:

- ✓ Ceiling Rents
- ✓ \$50.00 minimum rent for Public Housing and Section 8

5. Operations and Management

The CHA is exempt from this component of the PHA Plan.

6. Grievance Procedure

We have revised our Grievance Procedure to comply with the QHWRA and will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

Our projected funding under the CGP is \$335,748. Our focus for the 2000 program year is to provide miscellaneous renovations to Development TN42-004-Goodwin Court. Renovations include: exterior enhancement, parking, floor covering, electrical, sidewalks, gutters and downspouts, mechanical and storage. Additional improvements include: purchase of ranges and refrigerators, purchase of a maintenance truck and various administration and management improvements

8. Demolition and/or Disposition

The CHA has no current plans for demolition or disposition.

9. Designation

The CHA plans to maintain the current elderly/disabled designation that applies to a portion of its units. The CHA has no plans to designate additional units in the future.

10. Conversion of Public Housing

The CHA has no current plans to designate any developments or buildings to tenant-based assistance.

11. Homeownership

The CHA currently has a Section 5(h) Homeownership Program to provide the working low and moderate income public housing families the opportunity to purchase their own homes.

12. Community Services and Self-Sufficiency Programs

The CHA is exempt from this component of the PHA Plan. However, CHA offers and provides a variety of services to their residents. These services include educational programs such as GED classes, learning works, stay-in-school program and TNT program as well as daycare services and homeownership opportunities. The CHA also administers a Family Self-Sufficiency Program. This program combines housing assistance with career planning, training and support services to help families toward their own goal of self-sufficiency. Services offered through the FSS program include career exploration, small business training and development, life skills training and budget and money management counseling.

13. Safety and Crime Prevention

The CHA has addressed and will continue to address the problems with security and crime in their developments as well as the surrounding neighborhoods through the Public Housing Drug Elimination Program (PHDEP). The CHA will work in cooperation with the police department, residents and private security services to address safety and crime. In addition to the current anti-crime and security activities CHA has presently on going such as a "one strike"

policy, strict applicant screening and partnerships with law enforcement agencies, the CHA has identified additional goals and objectives to further combat criminal activities. These goals and objectives include applying and receiving additional PHDEP funds, implementing a parking permit program and improving security patrols and surveillance in their developments.

**14. Ownership of Pets**

The CHA has a policy related to tenant-owned pets. This policy permits CHA residents to own pets subject to compliance with specific requirements of our pet lease.

**15. Civil Rights Certification**

We have included the required certification regarding Fair Housing and Civil Rights in this plan.

**16. Annual Audit**

Our most recent annual audit for fiscal year 1998 is on file at our local HUD office in Knoxville, Tennessee and is available for review at our main office during normal business hours.

**17. Asset Management**

The CHA is exempt from this component of the PHA Plan.

Youth programs include a partnership with a community anti-drug activity center and local Young Marines program. Activities targeted at Adults, families and community include funds for one VISTA volunteer providing resident services and funds to upgrade the Gateway Education center computer lab. Programs target all developments of the Crossville Housing Authority.
